INTRODUCTION

All praise is due to Allah. We praise Him and seek His forgiveness. Whoever Allah guides, none can misguide him. And whoever He misguides, none can guide him. I testify that none has the right to be worshipped in truth except Allah, who has no partners. And I testify that Muhammad ﷺ is His servant and Messenger.

To proceed:

I seek refuge in Allah from the accursed Shaytan. In the name of Allah, the Most-Merciful, Ever-Merciful:

﴿ظَهَرَ الْفَسَادُ فِي الْبَرِّ وَالْبَحْرِ بِمَا كَسَبَتْ أَيْدِي النَّاسِ لِيُذِيقَهُمْ بَعْضَ
الَّذِي عَمِلُوا لَعَلَّهُمْ يَرْجِعُونَ﴾

Corruption has appeared on land and sea because of what people's hands have earned, so that He may cause them to taste the consequence of some of their deeds, so that they may return. [Surah Ar-Rum 30:41]

My dear readers and listeners! Nowadays, whenever we wake up and read the news, we find many headlined cases of women being sexually raped,

harassed, and molested. It feels as if the honor of the weaker sex – i.e., women – is being torn to pieces in every city, town, village, and alley! There was a time when people would come across a single case of such horrendous acts on the news, and it would only make the veins of their forehead bulge out of anger. But today – unfortunately – this crime has been normalized to the point that people come across it on the news and give it a mere passing gaze. It is as if people – especially men – have become insensitive to these occurrences.

In fact, the rapes and crimes against women who are headlined by news outlets on newspapers, news channels, and social media have only resulted in the doubling of the rate of women being abused! This is because publicizing and popularizing evil only results in more evil occurring and being spread! Because sexual crimes are being spread like wildfire on the news, criminals have become more bold, careless, and reckless due to the lack of consequences and repercussions.

If we were to look at our country Pakistan, or many other countries as a matter of fact, and even dare point towards these sexual crimes against women, then perhaps our topic will become extremely long.

This is because the sexual crimes against women in Pakistan and many other countries are so many, that a long list of incidents will take ages to collect, which will only inform us that these incidents and crimes are not ceasing to exist or decreasing. According to one report, our neighboring country India has an average of one woman getting raped every eight minutes, meaning that one hundred and seventy rapes occur daily on average! And how many are the cases that aren't reported!? If they were reported, the average would reach an astronomical count. However, this isn't specific to India. No country on earth can claim to have freed their women from this issue. Women abuse occurs in pretty much every country.

Hence, I thought that in today's Friday sermon, we pay attention to the reasons why these crimes occur and spread, and then move on to searching the solutions to these problems, so that we can save ourselves and our womenfolk from these heinous crimes.

REASONS WHY WOMEN ARE RAPED

Dysfunctional Family System

When the innate needs of human beings aren't fulfilled using lawful means, they will try to fulfill these innate needs using unlawful and un-innate means. From these innate needs is sexual satisfaction. The correct legislated means for a human being to fulfill his innate sexual needs is to get married and be intimate with his spouse. But in our times, many childish and inexcusable causes have made the act of getting married extremely difficult. The outcome of this is that an easy alternative outlet of fornication has been provided so that people can satisfy the sexual needs of their private parts.

Fornication and unlawfully fulfilling one's sexual needs – before or after marriage – has resulted in many problematic issues, such as separation, disownment, divorce, going no-contact, etc., and these cases are on the rise day after day. This is the reason why the family system has been broken and torn to pieces, and the resulting dysfunctional and spoiled family system becomes a reason why men

start raping and fornicating, and since dysfunctional family systems are increasing, the cases of rape and fornication will also increase.

Drinking Alcohol

In our country Pakistan, the biggest factor contributing to rape and murder and its exponential increase is the consumption of alcohol and intoxicants. In our country, alcohol is openly sold on the streets, and our government is the one who provides the license for its import and sale! The outcome of this is in front of everyone's sight; oh how mercilessly are people terribly raped and brutally murdered!

You have heard and seen countless times in the news that a consumer of alcohol committed such-and-such crime due to intoxication. There is no doubt that an alcohol drinker – in his state of intoxication – will not hesitate in fulfilling his carnal desires by forcing himself upon other women, and they may end up being his mother, sister, or daughter, and these incidents are headlined in the newspapers! If alcohol doesn't stop a man from forcing himself upon his own family, isn't it inevitable that it won't stop him from

forcing himself upon stranger women?

And do not be deceived into thinking that our Pakistani government is ignorant of this; they are fully aware of what's happening! They only pretend to be silent puppets and mute observers because the sale of alcohol in Pakistan brings them tons of capital and profit!

It is based on these individual and collective harms and the destructive nature of alcohol that Islam declared it to be prohibited, emphasizing so much on its dangers that it called it 'the mother of all evils'. No law of Islam opposes the innate nature of human beings; in fact, every single thing that Islam prohibits only provides peace and security to all of mankind.

Flooding Nakedness through Mass Media

One reason for the increase in sexual crimes against women is the spread of nakedness and films filled with the filth of eroticism, which the media label as Rated-R (restricted), PG-18 (Parental guidance), or NSFW (not safe for work). In our times, Hollywood and Bollywood are creating films of this genre, and the shamelessness, obscenity, profanity, vulgarity, filth, and graphic sexual content in its contents is so

ever-present that no family can sit together and watch that movie. Despite this obvious reality, the CBFC (Central Board of Film Censors) in Pakistan takes large sums of money from the film industries and pretends to be blind while these films are being permitted and promoted for screening! These industries are being given a thumbs-up for promoting inconceivable lewdness, nakedness, shamelessness and pointlessness in their films!

People who invest in this industry place advertisements to promote their filth, and this results in the daughters of Hawwa  being perceived as sex objects in a prostitution hub. Whatever these people advertise, they make sure that the woman headlines it, usually in a provocative pose. And it isn't restricted to this industry! Whether it be safety blades, or jeans, or food products, or cars; every advertisement is advertised with a woman. This is – sadly – how the industrial owners present the beauty and body of a woman; for the mere purpose of selling their products.

And the media outlets themselves spared no room for spreading immorality. It was their responsibility to only promote and display the things necessary for a society to see. Instead, they promote and display to

societies that erotic models are dressed in the skimpiest of clothes, or pornstars and promiscuous women are using such-and-such products to maintain their beauty and physique! The media outlets record and transmit hours of content on the personal lives of these hyper-sexual celebrities and individuals, and this only causes rape cases to increase.

Pornography

The availability and accessibility of porn due to it being spread on mobile phones, the internet, and social media has significantly contributed to an increase in women being raped. Pornography is one of the best profitable prospects in a capitalist-themed societal system. The United States of America, Japan, and South Korea alone generate sixty million dollars' worth of profit from this business! Around three hundred thousand dollars are invested in pornography per second for maintaining over four million websites and four hundred million pages of porn on these websites! To combat righteousness, the porn-promoting corporations challenged it by promoting shamelessness through the fashion and cosmetic industry. Besides the internet, pornography is also promoted through pictures, videos, films,

magazines, and smut literature. Robin Morgan – a female activist – said: ‘Pornography is the theory; rape is the practice.’

This is how pornography eliminates the protective jealousy and sensitivity of a man when a woman is raped by corrupting his mind. For a man who is watching pornography enjoys watching someone’s mother, daughter, wife, or sister being abused on the screen! If he is turned on by this, then why would he be repelled if someone’s mother, daughter, wife, or sister are abused in real life!? Hence, if we want to make the elimination of rape a possibility, we have to make the existence of porn an impossibility. Otherwise, eliminating rape from our societies is near impossible.

Co-Education and ‘Platonic’ Friendships

One of the major reasons why rape cases are on the rise is due to co-education. In a co-education system at school, college or university, women who have reached the age of puberty sit with men who have reached the age of puberty. The post-pubescent women study, play, and visit parks and cinemas with their post-pubescent male classmates. Then they mix

together and have fun doing extracurricular activities, shopping together, having lunch together, and even spending the nights with one another. So how it is possible for fire and dry grass to co-exist without any flames or blaze?! In co-educational institutes, many female toppers – especially those who get the highest degree – either fornicate or are raped to receive good marks, and this is well documented.

And my brothers! Know that this free-mixing is the reason why America and the West had to make abortion centers, and now this culture is being introduced in our societies!

Semi-nude clothing and being Uncovered

In continuation of the reasons why women are raped; if I dare say that the greatest factor contributing to women being raped in our country is that women wear semi-nude items of clothing and do not cover themselves properly, this claim would neither be out of place nor insensitive. Women dressing improperly and inappropriately is the biggest reason why women are being raped and killed daily. When women wear semi-nude dresses exposing their chest or wear tight-fitting clothes with which they display their beauty on

the streets and markets; what do you think will happen? Whatever is happening to the women in our country will keep on happening due to this.

Let me present a similitude so that understanding this point becomes easy. If a piece of meat is thrown in front of wild dogs and vultures, will they behave and not attempt to eat it? Impossible! The moment their eyes are set on the meat, they will rush towards it! This is the case with the inappropriately dressed women, who experience something similar. They present themselves as food and meat for the disgusting wild dogs and vultures from the men in society, and once their eyes are set, they will tear her to pieces.

Women traveling alone

From the reasons why rape, followed by brutal murders occur is due to women traveling alone. Today, women make excuses to travel long distances alone on buses, trains and autos, citing studies, jobs, and freedom as their excuse. When these women are alone and pass through silent and uninhabited paths, troublemakers, dacoits and looters observe and catch-on to these women traveling alone. Then, they wait

for the right time and pounce and ambush them, raping and killing them in the process.

Women going to their Job and returning Home late

Regarding the incidents of rape and murders that occurred in the past few days, one point was agreed upon by everyone; that the rapes occurred when women were returning home alone during the late night. When women and teenagers leave their houses at night to go to their workplace, they are attacked while passing through desolate areas, roads or alleys. It is obvious that the evil intentions of a hooligan or bandit come into action when they see a woman alone, and they ambush her without hesitation. When it is night-time, even the barking of a dog makes a brave man run far away!

The Chant of 'Freedom for Women'

From the reasons for rape crimes increasing is the freedom granted to women. Parents grant their children freedom way beyond the acceptable limit, such as allowing them to go wherever they like and stay wherever they like and come back whenever they

like, or allowing them to accompany whoever they like and befriend whoever they like. The modern liberal parents in our day and age keep on spewing the nonsense that ‘we trust our daughters completely, they would never do ‘such-and-such’ bad thing’, and when the bad thing happens, and they have to face the consequences of their actions, then these very parents start wailing and bawling their eyes out and lose their minds! And this affair is as clear as the sun, that the more a woman goes outside her home, the more heavy her suitcase of exposure to harm and destruction becomes.

In addition to this, the main factor allowing and promoting this ‘freedom’ mindset and ideology is the feminist movement, who call for the freedom of women, ardently and deceptively chanting that women should be placed with men side-by-side in every single affair and that women should earn as well by going outside. And ever since the feminist movement arrived and enchanted the women with their slogans of ‘my body, my choice’, ‘I’ll wear whatever I want to wear’, ‘I’ll go wherever I want to go’, and ‘I will engage in relationships with whoever I like, and no man has the right to prevent me from this’; there was an undeniable increase in rape and

murder cases. Oh, how we wish that these daughters of Hawwa ﷺ understood and caught on to the trials of the Dajjal concealed in these deceptive chants and slogans of feminism!

Mobile, Internet and Social Media

History is a witness to the fact that if science took one step and gave many people many benefits, it took four steps and gave even more people greater harm. And the matter of the fact – whether human beings realize it or not – is that one of the most important scientific creations is the mobile phone and the internet. If – on the one hand – these two provided benefit to a handful of people, these very two – on the other hand – set future generations up for destruction and ruin! Its flashy features have succeeded in captivating innocent toddlers, the young, the elderly, and pretty much all men and women! And this calamity has reached such an extent that people can bear to go without food and drink, but they cannot picture living or spending time without their mobile phones.

To increase their followers and friends list on social media, young women take their most attractive and beautiful pictures and upload them on their social

media accounts. The outcome of this is that the sadist lurking in the dark comes across these women's ID's (profiles), then starts to stalk her, then plans his every move, and eventually encounters her, intending to rape her to satisfy his sadistic nature. And this is no hidden matter; it is well-known and well-documented.

And there is no doubt that mobile phones, social media, and the internet facilitated the ease of communication between people, especially young men and women. Then, they provided a means for these young men and women to engage in shamelessness. Then, they opened the path to illicit relationships between these youngsters. All of this only helped in making the woman rebellious, and it is due to this very mobile, internet, and social media, that these women fall trap to the carnal desires of the oppressive and animalistic men.

HOW CAN WE PROTECT WOMEN FROM BEING RAPED?

Commanding Women to be covered

Islam does not approve of free-mixing between men and women. Instead, it teaches us to close all doors which lead to free-mixing. When Allah gives a command to men to lower their gaze, He also gives a command to women to lower their gaze and He only permits them to display the apparent features of their body to their Mahrams. Allah said:

﴿قُلْ لِلْمُؤْمِنِينَ يَغُضُّوا مِنْ أَبْصَارِهِمْ وَيَحْفَظُوا فُرُوجَهُمْ ذَلِكَ أَزْكَى لَهُمْ إِنَّ اللَّهَ خَبِيرٌ بِمَا يَصْنَعُونَ﴾

Tell the believing men to lower their gazes and guard their private parts; that is purer for them. Indeed, Allah is All-Aware of what they do.. [Surah An-Noor 24:30]

And Allah said:

﴿وَقُلْ لِلْمُؤْمِنَاتِ يَغْضُضْنَ مِنْ أَبْصَارِهِنَّ وَيَحْفَظْنَ فُرُوجَهُنَّ وَلَا يُبْدِينَ زِينَتَهُنَّ إِلَّا مَا ظَهَرَ مِنْهَا﴾

Tell the believing women to lower their gazes and guard their private parts, and not to reveal their beauty except what appears. [Surah An-Noor 24:31]

And Allah said:

﴿يَا أَيُّهَا النَّبِيُّ قُلْ لِّأَزْوَاجِكَ وَبَنَاتِكَ وَنِسَاءِ الْمُؤْمِنِينَ يُدْنِينَ عَلَيْهِنَّ مِنْ جَلْبِيبِهِنَّ ذَٰلِكَ أَدْنَىٰ أَنْ يُعْرَفْنَ فَلَا يُؤْذَيْنَ﴾

Prophet, tell your wives and your daughters, and the believing women to draw their outer garments over themselves; that is more likely that they will be known as chaste women and will not be harassed.

[Surah Al-Ahzab 33:59]

And Aishah رضي الله عنها narrated:

﴿يَرْحَمُ اللَّهُ نِسَاءَ الْمُهَاجِرَاتِ الْأَوَّلَ لَمَّا أَنْزَلَ اللَّهُ﴾ وَلْيَضْرِبْنَ بِخُمُرِهِنَّ عَلَىٰ جُيُوبِهِنَّ شَقَقْنَ أَكْنَفَ - قَالَ ابْنُ صَالِحٍ أَكْنَفٌ - مُرَوِّطُهُنَّ فَاخْتَمَرْنَ بِهَا

May Allah have mercy on the early immigrant women. When the Verse ‘That they should draw their veils over their bosoms’ [Surah An-Noor 24:31] was revealed, they tore their thick outer garments and made veils from them. [Abu Dawud 4102; Sahih]

As has been mentioned previously, dress is a major contributor to women getting raped. If women start acting on the aforementioned Verse from Surah Al-Ahzab, they will remain safe from being raped or becoming victims of sexual crimes.

Semi-nude Clothes must be banned

If the non-Muslim countries can ban the Islamic veil and dress-code, what's stopping the Muslim countries from banning semi-nude clothing?! Remember! Women who dress themselves with semi-nude clothes have been specifically threatened with the Hell-Fire. Abu Hurayrah رضي الله عنه narrated that the Messenger of Allah ﷺ said:

«صِنْفَانِ مِنْ أَهْلِ النَّارِ لَا أَرَاهُمَا بَعْدُ نِسَاءً كَاسِيَاتٌ عَارِيَاتٌ مَائِلَاتٌ مُمِيلَاتٌ عَلَى رُءُوسِهِنَّ أَمْثَالُ أَسْنِمَةِ الْبُخْتِ الْمَائِلَةِ لَا يَرَيْنَ الْجَنَّةَ وَلَا يَجِدْنَ رِيحَهَا وَرِجَالٌ مَعَهُمْ أَسْيَاطٌ كَأَذْنَابِ الْبَقَرِ يَضْرِبُونَ بِهَا النَّاسَ»

There are two groups who'll enter the Hell-Fire and I have not seen them yet: Women who are apparently dressed, but in reality are naked (due to their tight, fitting and thin see-through clothes), inclining towards men themselves, and making men incline

towards them as well. Their heads resemble the hump of a Bactrian camel (by wearing their hair in a hump as fashion). They will neither see Paradise nor smell it. The second group are men who will have whips resembling the tails of an ox, and they will (unjustly) hit people with it. [Musnad Ahmad 8665; Sahih]

Women must remain in their Homes

Women should only leave their house with a Mahram for the most dire of needs. She should not leave her house if there is no necessity. Allah said:

﴿وَقَرْنَ فِي بُيُوتِكُنَّ وَلَا تَبَرَّجْنَ تَبَرُّجَ الْجَاهِلِيَّةِ الْأُولَىٰ وَأَقِمْنَ الصَّلَاةَ وَآتِينَ الزَّكَاةَ وَأَطِعْنَ اللَّهَ وَرَسُولَهُ إِنَّمَا يُرِيدُ اللَّهُ لِيُذْهِبَ عَنْكُمُ الرِّجْسَ أَهْلَ الْبَيْتِ وَيُطَهِّرَكُمْ تَطْهِيرًا﴾

Stay in your homes and do not display your charms as was done in the former days of ignorance; establish prayer and give Zakah; and obey Allah and His Messenger. Allah only intends to keep evil away from you, O members of the Prophet's household, and to completely purify you. [Surah Al-Ahzab 33:33]

And Abdullah bin Umar رضي الله عنه narrated that the Messenger of Allah ﷺ said:

«الْمَرْأَةُ عَوْرَةٌ، وَإِنَّهَا إِذَا خَرَجَتْ اسْتَشْرَفَهَا الشَّيْطَانُ، وَإِنَّهَا لَا تَكُونُ أَقْرَبَ إِلَى اللَّهِ مِنْهَا فِي قَعْرِ بَيْتِهَا»

The woman is 'awrah, and when she goes out, the devil gets his hopes up. She is never closer to Allah than when she is in the innermost part of her house.

[Al-Mu'jam Al-Awsat 2890; Sahih]

The Boundaries of a Woman's Contribution to Society

Islam permitted a woman to exert her efforts in contributing to the wellness of society according to her strength and knowledge. During the lifetime of the Prophet, women used to contribute to society in many different fields. However, no woman was ever given the responsibility to contribute to the financial state of their society. In fact, providing financially, even for basic household needs is the man's responsibility. And it is also obligatory upon him to spend by fulfilling the financial needs of his wife. Having economic and societal freedom is one thing, and binding someone to financially contribute in society is another thing. Allah said:

﴿الرِّجَالُ قَوَّامُونَ عَلَى النِّسَاءِ بِمَا فَضَّلَ اللَّهُ بَعْضَهُمْ عَلَى بَعْضٍ وَبِأَمْرِ

أَنْفَقُوا مِنْ أَمْوَالِهِمْ

Men are in charge of women, as Allah has made some of them excel the others, and because they spend of their wealth. [Surah An-Nisa 4:34]

Allah expounded on the reality of this affair in another place when He said:

﴿وَعَلَى الْمَوْلُودِ لَهُ رِزْقُهُنَّ وَكِسْوَتُهُنَّ بِالْمَعْرُوفِ﴾

It is the obligation upon the father of the child that he provides food and clothing for the mothers with fairness. [Surah Al-Baqarah 2:233]

If – however – the woman earns, her husband or in-laws have no claim on her wealth. Despite all this, the true responsibility of a woman – for which she will be questioned by Allah on the Day of Judgment – is her home. Abdullah bin Umar رضي الله عنه narrated that the Messenger of Allah ﷺ said:

«وَالْمَرْأَةُ رَاعِيَةٌ فِي بَيْتِ زَوْجِهَا وَمَسْئُولَةٌ عَنْ رَعِيَّتِهَا»

The woman is the guardian of her husband's house, and she will be questioned about her responsibilities.

[Sahih Al-Bukhari 893]

Islam has placed responsibilities upon men and

women according to their physical build and capabilities. This is why they have different yet complementary roles. Hence, the main responsibility of a woman is her home, because if she goes out of her home, and spends her time sitting with non-Mahrams; she is setting herself up for doom.

Women shouldn't speak with Stranger men in a Soft Tone

Look at the attention given by Islam to the minute details! Women have been prohibited from speaking to stranger men in a soft and pleasant tone because Allah made the voice of a woman innately pleasant, sweet, and soft. And these characteristics in her voice snatch a man's attention, inviting him towards her. This is why women have been commanded to abandon their soft-natured tone when speaking to stranger men and to be firm and strict in their tone with them so that no man with a disease in his heart gets the wrong impression, which will prevent him from even daring to make a move. Allah said:

﴿يَنْسَاءُ النَّبِيِّ لَسْتُ كَأَحَدٍ مِّنَ النِّسَاءِ إِنِ اتَّقَيْتُنَّ فَلَا تَخْضَعْنَ بِالْقَوْلِ
فَيَظْمَعَ الَّذِي فِي قَلْبِهِ مَرَضٌ وَقُلْنَ قَوْلًا مَّعْرُوفًا﴾

O wives of the Prophet, you are not like any other women: if you fear Allah, do not be soft in your speech, lest those with sickness in their hearts should be moved with desire; but speak in an appropriate manner. [Surah Al-Ahzab 33:32]

Be mindful that this command is not specific to the Mothers of the Believers. All believing women are included and addressed in this Verse, because the Mothers of the Believers are role models for all believing women who come after them.

But how unfortunate it is that the large companies only hire women who have a particularly good and attractive voice. Even in call centers, they only vacate spots for women with a good voice, which will eventually lead to destruction.

Normalize Marriages

To protect the Islamic society from becoming astray and from becoming promiscuous, the Islamic legislation encouraged and emphasized on youngsters getting married, so that they can lawfully fulfill their innate intimate desires, and the result of this is that rape will cease to exist within societies. And Allah commanded His servants to get married.

He said:

﴿وَأَنْكِحُوا الْأَيَامَىٰ مِنْكُمْ وَالصَّالِحِينَ مِنْ عِبَادِكُمْ وَإِمَائِكُمْ إِنْ يَكُونُوا فُقَرَاءَ يُغْنِهِمُ اللَّهُ مِنْ فَضْلِهِ ۗ وَاللَّهُ وَاسِعٌ عَلِيمٌ﴾

Arrange marriages for those of you who are unmarried, and for the righteous of your bondmen and bondwomen. If they are poor, Allah will suffice them from His bounty, for Allah is All-Bountiful, All-Knowing. [Surah An-Noor 24:32]

And Abdullah bin Masood رضي الله عنه narrated:

كُنَّا مَعَ النَّبِيِّ صَلَّى اللَّهُ عَلَيْهِ وَسَلَّمَ شَبَابًا لَا نَحْذُ شَيْئًا فَقَالَ لَنَا رَسُولُ اللَّهِ صَلَّى اللَّهُ عَلَيْهِ وَسَلَّمَ «يَا مَعْشَرَ الشَّبَابِ مَنِ اسْتَطَاعَ الْبَاءَةَ فَلْيَتَزَوَّجْ، فَإِنَّهُ أَغْضُ لِلْبَصَرِ، وَأَخْصَنُ لِلْفَرْجِ، وَمَنْ لَمْ يَسْتَطِعْ فَعَلَيْهِ بِالصَّوْمِ، فَإِنَّهُ لَهُ وَجَاءٌ»

We were with the Prophet while we were young and had no wealth. So Allah's Messenger ﷺ said, 'O young people! Whoever among you can marry, should marry, because it helps him lower his gaze and guard his modesty (i.e., his private parts from committing illegal sexual intercourse etc.), and whoever is not able to marry, should fast, as fasting diminishes his

sexual power.’ [Sahih Al-Bukhari 5066]

If a person is now married, yet his heart starts to incline towards another woman sexually, he should rush home and express his love sexually to his wife. Jabir رضي الله عنه narrated:

أَنَّ النَّبِيَّ صَلَّى اللَّهُ عَلَيْهِ وَسَلَّمَ رَأَى امْرَأَةً فَدَخَلَ عَلَى زَيْنَبَ بِنْتِ جَحْشٍ فَقَضَى حَاجَتَهُ مِنْهَا ثُمَّ خَرَجَ إِلَى أَصْحَابِهِ فَقَالَ لَهُمْ «إِنَّ الْمَرْأَةَ تُقْبِلُ فِي صُورَةِ شَيْطَانٍ فَمَنْ وَجَدَ مِنْ ذَلِكَ شَيْئًا فَلْيَأْتِ أَهْلَهُ فَإِنَّهُ يُضْمِرُ مَا فِي نَفْسِهِ»

The Prophet saw a woman, so he entered upon Zainab, the daughter of Jahsh and had intercourse with her. He ﷺ then came out and said to his companions, ‘A woman advances in the form of a devil. When one of you finds that, he should go to his wife (and have intercourse with her) for that will repel what he is feeling.’ [Sunan Abi Dawud 2151; Sahih]

Eliminate the possibility of Men being with Stranger Women in Seclusion

All times and places where men can meet women in seclusion should be banned and enforced. And to ensure the effectiveness of this, there should be a

strict prohibition on men and women mixing absolutely. The Messenger of Allah ﷺ said:

«لَا يَخْلُونَ رَجُلٌ بِامْرَأَةٍ»

No man should be alone with a woman. [Sahih Muslim 1341]

Establish the Severest Punishment for Fornication, Adultery, and Rape

The people in authority have the following three responsibilities of enforcing the strict legislated punishment on the following three individuals:

1) If the man and the woman fornicate, they are to be lashed. Allah said:

﴿الرَّانِيَةُ وَالرَّانِي فَاجْلِدُوا كُلَّ وَاحِدٍ مِّنْهُمَا مِائَةً جَلْدَةً وَلَا تَأْخُذْكُمْ بِهِمَا رَأْفَةٌ فِي دِينِ اللَّهِ إِنْ كُنْتُمْ تُؤْمِنُونَ بِاللَّهِ وَالْيَوْمِ الْآخِرِ وَلَيْشَهِدَ عَذَابُهُمَا طَائِفَةٌ مِّنَ الْمُؤْمِنِينَ﴾

As for the woman and the man who commit fornication; flog each of them a hundred lashes. Do not let pity for them make you lenient concerning the law of Allah, if you believe in Allah and the Last Day. And let a group of the believers witness their

punishment. [Surah An-Noor 24:2]

In this Verse, the Muslim ruler is being commanded to lash the unmarried fornicator, be it a man or a woman, a Muslim or a non-Muslim, on condition that the case brought to him is verified to be true.

2) If the man or the woman were married while they committed adultery, they are to be stoned to death. Ubadah bin Samit رضي الله عنه narrated that the Messenger of Allah ﷺ said:

«خُذُوا عَنِّي خُذُوا عَنِّي قَدْ جَعَلَ اللَّهُ لَهَنَّ سَبِيلًا الْبِكْرُ بِالْبِكْرِ جَلْدٌ مِائَةً وَنَفْيٌ سَنَةٍ وَالثَّيْبُ بِالثَّيْبِ جَلْدٌ مِائَةً وَالرَّجْمُ»

Obtain this religious teaching from me! Obtain this religious teaching from me! Allah has ordained a way for those women. When an unmarried male commits adultery with an unmarried female, they should receive one hundred lashes and banishment for one year. And in case of a married male committing adultery with a married female, they shall receive one hundred lashes and be stoned to death. [Sahih Muslim 1690]

We are certain that such punishments will put an end to rape in totality.

3) If a woman is raped, the man – if married – will be

stoned to death based on the previous Hadith. And if he is unmarried, then he will be lashed based on the previous Verse in Surah An-Noor. However, the ruler can still put the unmarried rapist to death for spreading corruption in the land by forcing himself on a woman using threat! Allah said:

﴿إِنَّمَا جَزَاءُ الَّذِينَ يُحَارِبُونَ اللَّهَ وَرَسُولَهُ وَيَسْعَوْنَ فِي الْأَرْضِ فَسَادًا أَنْ يُقَتَّلُوا أَوْ يُصَلَّبُوا أَوْ تُقَطَّعَ أَيْدِيهِمْ وَأَرْجُلُهُمْ مِنْ خَلْفٍ أَوْ يُنْفَوْا مِنَ الْأَرْضِ ذَلِكَ لَهُمْ خِزْيٌ فِي الدُّنْيَا وَلَهُمْ فِي الْآخِرَةِ عَذَابٌ عَظِيمٌ﴾

The penalty for those who wage war against Allah and His Messenger, and spread corruption in the land, is that they should be executed, or crucified, or their hands and feet amputated on opposite sides, or banished from the land. This is a disgrace for them in this world, and for them in the Hereafter, there will be a great punishment. [Surah Al-Ma'idah 5:33]

As for the woman who was raped, under no circumstance will she be punished. Ibn Abbas رضي الله عنه narrated that the Messenger of Allah ﷺ said:

« إِنَّ اللَّهَ وَضَعَ عَنْ أُمَّتِي الْخَطَأَ وَالنِّسْيَانَ وَمَا اسْتُكْرِهُوا عَلَيْهِ »

Allah has forgiven my nation for mistakes and

forgetfulness, and what they are forced to do. [Sunan Ibn Majah 2045; Sahih]

In fact, Allah will reward her if she endures this trial with patience. Abu Hurayrah رضي الله عنه narrated that the Messenger of Allah ﷺ said:

«مَا يُصِيبُ الْمُسْلِمَ مِنْ نَصَبٍ وَلَا وَصَبٍ وَلَا هَمٍّ وَلَا حُزْنٍ وَلَا أَذًى وَلَا غَمٍّ حَتَّى الشُّوْكَةِ يُشَاكُهَا، إِلَّا كَفَّرَ اللَّهُ بِهَا مِنْ خَطَايَاهُ»

No fatigue, nor disease, nor sorrow, nor sadness, nor hurt, nor distress befalls a Muslim, even if it were the prick he receives from a thorn, but that Allah expiates some of his sins for that. [Sahih Al-Bukhari 5641]

And Suhaib Ar-Rumi رضي الله عنه narrated that the Messenger of Allah ﷺ said:

«عَجَبًا لِأَمْرِ الْمُؤْمِنِ إِنَّ أَمْرَهُ كُلَّهُ خَيْرٌ وَلَيْسَ ذَاكَ لِأَحَدٍ إِلَّا لِلْمُؤْمِنِ إِنَّ أَصَابَتْهُ سَرَّاءٌ شَكَرَ فَكَانَ خَيْرًا لَهُ وَإِنْ أَصَابَتْهُ ضَرَّاءٌ صَبَرَ فَكَانَ خَيْرًا لَهُ»

How wonderful is the affair of the believer! Indeed, all of his affairs are good for him. This is for no one but the believer. If something good happens to him, he is grateful to Allah, which is good for him. And if something bad happens to him, he has patience, which is good for him. [Sahih Muslim 2999]

Conclusion

My dear readers and listeners! After learning about the reasons why women are raped, and what are the solutions to counter this destructive disease, we will now move on and learn about the severe harms and punishments a land and its residents will face when fornication and adultery are normalized in it.

The Outcome of the increasing Incidents of Women being Raped

1) My dear brothers and sisters! Remember! If adultery and fornication are normalized in a land, no power or force on earth can stop that land from being destroyed! Ibn Abbas رضي الله عنه narrated that the Messenger of Allah ﷺ said:

«إِذَا ظَهَرَ الزَّانَا وَالرَّابَا فِي قَرْيَةٍ، فَقَدْ أَحْلَوْا بِأَنْفُسِهِمْ عَذَابَ اللَّهِ»

If fornication and usury spread in a land, their residents have obligated Allah's punishment to descend upon them. [Mustadrak Al-Hakim 2288; Sahih]

2) If adultery and fornication are normalized in a land, diseases unheard of will start spreading in it!

Ibn Umar رضي الله عنه narrated that the Messenger of Allah ﷺ said:

«لَمْ تَظْهَرِ الْفَاحِشَةُ فِي قَوْمٍ قَطُّ حَتَّى يُعْلِنُوا بِهَا إِلَّا فَشَا فِيهِمُ الطَّاغُوتُ
وَالْأَوْجَاعُ الَّتِي لَمْ تَكُنْ مَضَتْ فِي أَسْلَافِهِمُ الَّذِينَ مَضَوْا»

Immorality never appears among a people to such an extent that they commit it openly, but plagues and diseases that were never known among the predecessors will spread among them. [Sunan Ibn Majah 4019; Hasan]

3) The Final Messenger of Allah also informed us that if fornication and adultery are normalized in a land, many people will die, with death surrounding everyone and leaving its mark, and one will only see piles of corpses everywhere he turns. Buraydah رضي الله عنه narrated that the Messenger of Allah ﷺ said:

«وَلَا ظَهَرَتِ الْفَاحِشَةُ فِي قَوْمٍ قَطُّ إِلَّا سَلَّطَ اللَّهُ عَلَيْهِمُ الْمَوْتَ»

Immorality never appears among a people, except that Allah imposes death in large numbers upon them. [Mustadrak Al-Hakim 2606; Sahih]

Similarly, Ibn Abbas رضي الله عنه said:

«وَلَا فَشَا الزَّانَا فِي قَوْمٍ قَطُّ إِلَّا كَثُرَ فِيهِمُ الْمَوْتُ»

There is no nation that normalizes fornication, except that death will be normalized amongst them.

[Al-Muwatta 987; Sahih]

Allah is the Greatest! And Allah and His Messenger spoke the truth! Today, the entire world has heard and seen this, yet they still fail to take heed, advice, and admonition from this.
